1996 - 1997 CATALOG

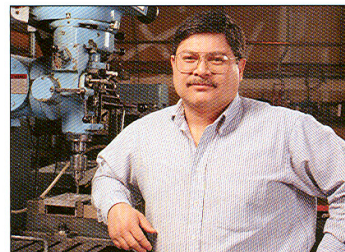

THE BENCHMADE PHILOSOPHY IS TO PRODUCE TOP-QUALITY  
KNIVES THAT WE, AS CONNOISSEURS, WOULD BE PROUD TO OWN  
AND USE. WE WILL ENSURE THAT EVERY BENCHMADE KNIFE  
OWNER HAS IN HIS HANDS THE MOST TRUSTWORTHY KNIFE FOUND  
ANYWHERE IN THE WORLD, AND TO CREATE AN ENVIRONMENT IN  
WHICH INNOVATION AND EXCELLENCE RATHER THAN PRODUCTION  
SPEED IS ENCOURAGED AND REWARDED.

I WOULD LIKE TO THANK ALL OF OUR MANY CUSTOMERS WHO SHARE THE SAME THOUGHTS WITH US ON WHAT QUALIFIES AS A GREAT KNIFE. I AM ESPECIALLY PLEASED TO ANNOUNCE THAT OUR COMMITMENT TO QUALITY AND EXCELLENCE AND OUR CUSTOMERS RECOGNITION OF SUCH IS PROVIDING US WITH THE MEANS TO BUILD A MUCH LARGER, MODERN, STATE OF THE ART, FACILITY THAT WILL ENABLE US TO BRING MORE EXCITING CUTLERY PRODUCTS TO MARKET.

OUR SUCCESS IS THE RESULT OF PUSHING THE ENVELOPE ON MODERN DESIGNS, MATERIALS, PROCESSES, AND MECHANISMS. BUT MOST IMPORTANTLY, IT IS A DIRECT RESULT OF THE DEDICATION TO QUALITY AND CRAFTSMANSHIP OF THE PEOPLE WHO ARE BENCHMADE! I AM VERY PROUD OF THE GROWTH, PERSONAL IMPROVEMENT, AND CONSTANT AWARENESS OF THE TEAM SPIRIT EMBRACED BY ALL OF OUR EMPLOYEES. IT IS THIS "TEAM SPIRIT" THAT PROVIDES FOR OUR ABILITY TO WORK TOGETHER, USING THE MOST DIFFICULT TO MANUFACTURE MATERIALS, AND PRODUCE KNIVES THAT WE ARE PROUD TO OWN AND USE. KNIVES THAT WE ALL AGREE ARE AS SPECIAL AND HARDWORKING AS THE PEOPLE WHO MADE THEM!
