## KNIVES

IT ALL STARTS WITH A COMMITMENT TO INNOVATION. AND FOR US, IT GOES BEYOND SIMPLY BEING INNOVATIVELY DIFFERENT—BENCHMADE CONTINUALLY STRIVES TO BE INNOVATIVELY BETTER. WE BELIEVE THAT WHEN A CUSTOMER CHOOSES TO PURCHASE A BENCHMADE, THEY DO SO BECAUSE THEY WANT THE BEST. THIS MINDSET OF INNOVATING FOR IMPROVEMENT IS ALIVE AND WELL THROUGHOUT BENCHMADE, IT GOES INTO EVERY DESIGN, AND COMES OUT OF EVERY PRODUCT. ADMITTEDLY, IT'S DEFINITELY NOT THE EASIEST WAY TO MAKE KNIVES, BUT IT'S THE ONLY WAY WE KNOW HOW. THE RULES WERE UNCHANGED WHEN THE DESIGN PROCESS BEGAN FOR HARLEY-DAVIDSON® KNIVES.

### SO GO AHEAD - SHARPEN YOUR RIDE!

There's never a dull moment with a Benchmade's Lifesharp Service. That's right! We will gladly sharpen your Harley-Davidson® knife to a factory razor sharp edge (service does not apply to any serrated portion of the blade). If you prefer us to sharpen your blade, or if you may have neglected to maintain your edge for a while, simply ship your knife to us. We'll not only sharpen it, we will also inspect the knife for any warrantied repairs and "tune" the knife for optimum performance. Simply ship the knife to the Benchmade address, postage paid and insured. Please enclose your return shipping address with \$5.00 to cover return shipping charges.

### LIMITED LIFETIME WARRANTY

Benchmade Knife Company, Inc. ("Benchmade") warrants to the original owner that this knife will be free from defects in materials and workmanship. Benchmade will, without charge, repair or replace, at Benchmade's option, any knife returned for Warranty work and found to be defective by Benchmade. The knife must be shipped by owner prepaid and insured freight, together with a description of the problem, and must be accompanied by the original bill of sale.
